VISITORS GUIDELINES

AIRCAST® chattanooga® CMF™ COMPEX® PROCARE® djosurgical® DONJOY® Dr.Comfort®

For this policy, a visitor is defined as any person who is not an employee of Enovis Mexico. This includes Enovis Employees from other sites, vendors, consultants, etc.

Exceptions to this rule apply to the very limited number of US employees who are permanently assigned to work in the Tijuana Plant.

ADVANCED APPROVAL

All visitors must be on a pre-approved visitor list. All visitors must request their visit to the plant on the Thursday, the week before their visit. The request must include the following:

- Visitor's Name
- Organization
- Contact in the Plant
- Purpose of the Visit
- Dates of the Visit

Visit requests should be sent to Cinthya Rodríguez

Cinthya.Rodriguez@enovis.com

PRIOR TO YOUR VISIT

Permits for up to six days are free, from 7 to 180 days have a $35.00 dollars price, if you did not had time to do the process online, you can stop at the INM office.

Important information

Please inquire if your country of origin is required to get a Mexican visa, and in ***all cases***, visitors must get an FMM permit.

For more information:

Find more traveling tips in: ***Mexico Essentials Guide (mexperience.com)***

FMM Permit

You can learn about the FMM permit at Learn About Your Mexico Visitors Permit, ***FMM (mexperience.com)***, you can fill one out in Instituto Nacional de Migración - ***Forma Migratoria Múltiple (inm.gob.mx).***

Please be advise that you will have to print and present the printed copy at the port of entry of your choosing, so it can **get stamped** by a Mexico customs agent at the INM Office, **without this stamp the permit is invalid**, and you will not be able to enter any Enovis facilities in Mexico.

INM Office

Is the immigration office at any port of entry to the country, you can fill out the FMM form by hand, pay it and get it stamped there.

If you need of the U.S. general consulate in Tijuana, click the link: U.S. Consulate General Tijuana - U.S. Embassy & Consulates in Mexico ***(usembassy.gov)***

Please note that the only official information can be obtained from the Instituto Nacional de Migracion. Enovis and its staff are not responsible for your legal presence in the country. If your legal presence in the country cannot be established, Enovis **reserves** the right to **deny** you access to the facility.

DRESS CODE AND POLICY

Upon your arrival at the plant, you will be asked to register at the security booth and show your migratory form.

Hair must be tied up
above the shoulders
in manufacturing areas

No headphones
or earbuds are allowed in
operational areas

Smoking
within the facilities
is forbidden

Close-toe shoes
flat soles required in
manufacturing areas

Appropriate PPE
(Depends on specific area
e.g. glasses, safety shoes, etc.)

Don't use Cellphones
While walking

Production Floor and Warehouse Access

Visitors will not be allowed access to the production floor or the warehouse without an escort and the ***proper EPP (safety boots, helmet and vest).*** There will be a very limited number of frequent visitors who will be allowed unrestricted access to the factory floor. All other visitors will require an escort.

Please reach out Alejandra Quiroga directly if you have any questions or need any clarifications.

Alejandra.Quiroga@enovis.com

ENTRY TO THE PLANT

Upon arrival, visitors will be required to:

- ***Check-in with plant security***
- ***Present Identification***
- ***Foreigners need to present FMM or FM3 permit***
- ***Be verified against the approved list.***

Any visitor not on the approved published list, will not be allowed access into the plant.

Upon arrival, visitors will be required to check-in with plant security presenting an ID. Foreigners need to present FMM o FM3.

Will wait in the security booth for their Enovis Mexico contact.

Unless specifically authorized otherwise, visitors must be escorted into the office area where they will be working.

WHAT TO DO IN CASE OF AN EARTHQUAKE?

If the earthquake is not too strong, calm down, it will end soon.

If you are within a building:

- Keep calm and be as serene as possible.
- If possible, eliminate the energy of the entire machinery, and block the supply of any energy (electric, boilers, compressors, etc.).
- Avoid wasting time gathering your personal belongings.
- Evacuate according to the evacuation procedure.
- Avoid running and screaming.
- Follow the signs that mark the evacuation routes.
- Leave the building and go to a safe area, considering the windows of nearby buildings, power lines, transformers and vehicular flow.
- Move to the nearest meeting point.

If you are outdoors:

- Stay away from buildings, trees, electric lighting and utility cables.
- Remain outside until the movement passes.
- Move to the nearest meeting point.
- Once the earthquake finishes act with caution.

LODGING

For you stay, Enovis recommend the following hotels:

(You need to pay by credit card directly at the hotel, only in particular cases is the company's charge.)

QUARTZ

Avenida Paseo del Centenario 9580, 22010 Tijuana

+52 664 862 8200

LUCERNA

Paseo de los Héroes #10902, Zona Urbana Rio Tijuana, 22320 Tijuana, B.C.

+52 664 633-3900

MARRIOT

Blvd. Agua Caliente No. 11553 22420 Tijuana, B.C.

+52 664 622-6600

The company strongly suggest that you should have with you at all times an oficial ID. and one's you are at the hotel, do not leave the premises alone.

TRANSPORTATION

San Ysidro (Trolley Station)

If you are going to cross the border by walking we suggest you leave your car at the ***LAZ Parking***. ***714 E San Ysidro Blvd, San Diego, CA 92173, USA***

After that, walk into the Mexico Customs office for your FMM Permit. ***The office is 24/7, be advised there's a shift change at 8AM which can last 30 minutes approximately, please take precautions.***

From the airport to the border you can call ***Masterpiece limousine,*** they give the service to the Vista facility for travelers, they can help you get from the airport to the border even help you get all the way to the TJ facility and help you get the FMM Permit.

The contact number is Eddie Elias ***(619) 454-8718.***

Also you can use the app ***Uber.***

RETURNING TO THE U.S.A.

There are ***3 ways*** to enter the US: Regular Lane, Ready Lane and Sentri Lane. The Regular Lane is much slower than the Ready Lane, and Sentri is the fastest way to enter. Requirements for each of them are:

Regular Lane

Valid US Passport and if you are driving, a valid Driver's License.

Ready Lane

Passport, WHTI compliant and RFID enabled cards approved by the Department of Homeland Security:

- U.S. Passport Card
- Enhanced Driver's License (EDL)
- Enhanced Tribal Card (ETC)
- Trusted Traveler Cards (NEXUS, SENTRI, Global Entry and FAST cards)
- Enhanced Permanent Resident Card (PRC)
- Border Crossing Card (BCC).

Sentri Lane / Global Entry

If you are driving, a valid Driver's License and the vehicle needs to be pre-approved by CBP to be used in a Sentri Lane.

Please visit ***https://www.cbp.gov/*** for the complete information on entering the US. Please note that if you try to use a lane without the proper documents, you could be subject to a fine. Enovis is not responsible on any fines applied on its visitors.

Enovis does not have any link to either Mexico Immigration Office or CBP, we are not responsible or have any control if you are denied the entry to Mexico or the US. Enovis cannot provide you with information on what can be brought across the Mexico or US border.
